

pluma
Rental Properties

**Property Management
Riviera Maya, Mexico**

Playa del Carmen Beach.

Originally a small fishing town, tourism to Playa del Carmen began with the passenger ferry service to Cozumel.

Playa del Carmen, or just "Playa", has undergone rapid development over the past decade with many new luxury residential condos, buildings, restaurants, boutiques and entertainment venues.

Tourist activity in Playa del Carmen centers mostly on Quinta Avenida, or Fifth Avenue, stretching from Calle 1 norte for over 30 blocks, a pedestrian walkway located just one or two blocks inland from the beach. Fifth Avenue is lined with hundreds of shops, bars and restaurants.

Playa is a Unique, Cosmopolitan city, where millions of tourists choose to spend their vacations each year.

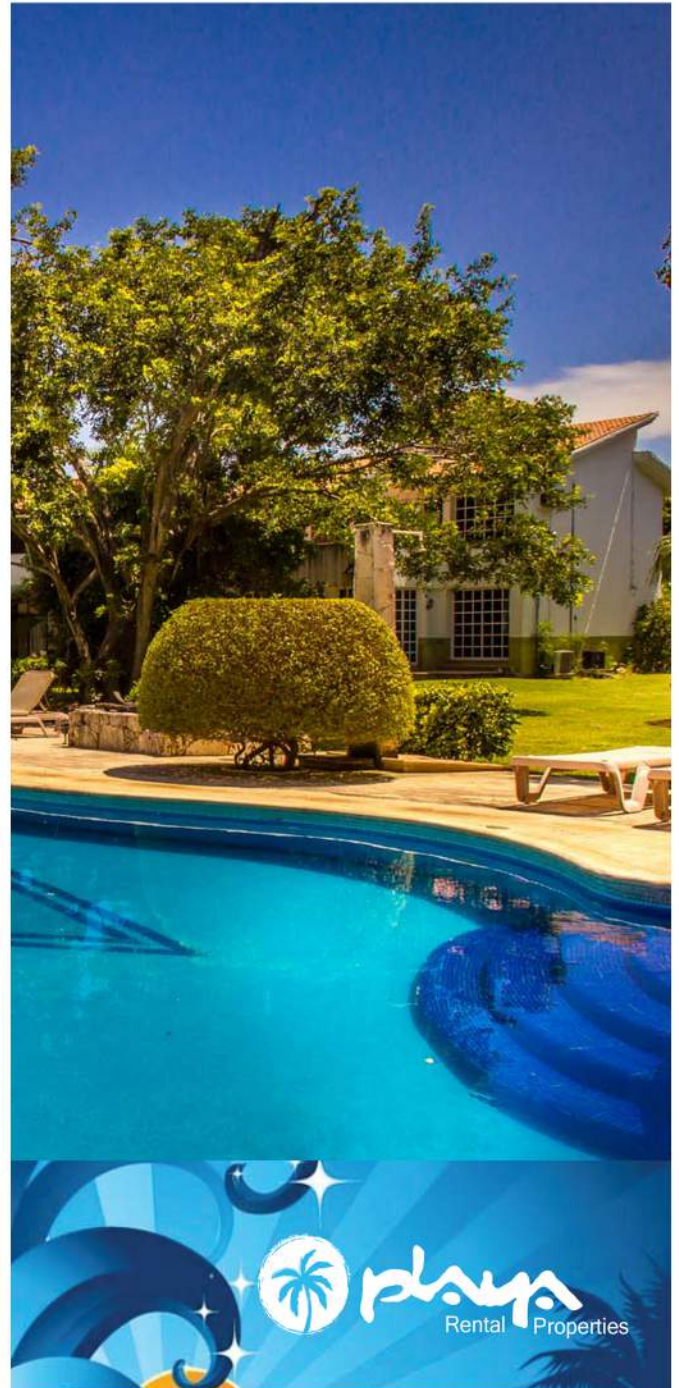

About Playa Rental Properties

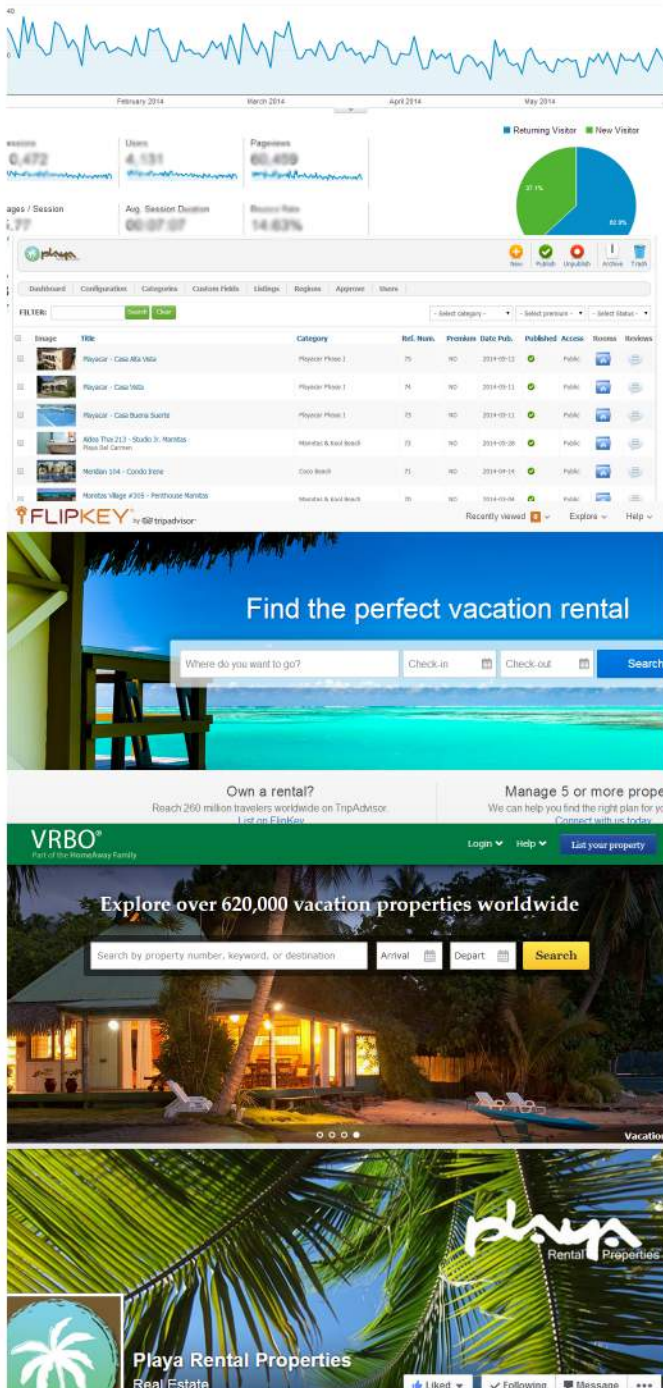

For over 11 years, "Playa Rental Properties" has focused on providing consistent service, comfort, and safety to its clients and guests. As one of Playa del Carmen's leading Vacation Rentals and Property Management companies, providing an exceptional and lasting service for your property is of paramount importance to us.

Our professional staff is eager to extend utmost care and service to your organization , and seek to gain trust and confidence in their ability to not only meet your Property Management requirements, but exceed your expectations.

Playa Rental Properties has the infrastructure and expertise needed to turn your property into a highly profitable business today.

Playa del Carmen condominium.

Playa Rental Properties across the web.

Our extensive online presence is key to our success.

Our custom website provides us with a solid, powerful platform on which we can focus our online promotion efforts, while our more than 5 thousand (and counting) carefully-targeted Social Media followers receive constant communication from our advertising experts in the form of original photos, contests and links to our website.

All the properties we manage are featured on the most popular Vacation Rentals booking engines, and our exclusive Data Relay System automatically sends property and booking information to premium online services such as Flipkey, making sure that your property's information is always updated across the World-Wide Web.
